

The PERCY HEATH

ARTS SCHOLARSHIP AWARD PROGRAM

One of our founding members was Percy Heath, the most recorded jazz bass player, member of the Modern Jazz Quartet, quiet Montauk fisherman and great friend of all who knew him. He arranged the initial introduction of our Association to the CEO of the Long Island Railroad, E. Virgil Conway, who helped us get our Depot Gallery. Percy was our first President of the Association and gave this fledgling group of artists, immediate significance in our village.

In his memory, Association Members created the Percy Heath Arts Scholarship Fund. Every Spring a Montauk High School Graduate who intends to study the Arts (Music or Visual) in college, is eligible to receive a scholarship award.

The Fund is supported by Donations and our 50/50 raffle. Everyone is welcome to participate.

Tickets can be mailed to:
The Montak Artists Association, Inc.
P.O. Box 2751 - Montauk, New York
11954-0300

Please mark your check for the **Scholarship Fund**. (Tax Deductable to the full extent of the law.)
